## Our 10th RV International Jazz Festival - SOMETHING FOR EVERYONE!

You're reading this, so you'll be in Ribble Valley for a day or longer for the festival over the Bank Holiday Weekend? Remember...the festival is open to all; Something for Everyone! *Read on.*

There's a great choice of music in 20+ indoor/outdoor venues in our lovely market town and rural countryside. Spend 5 days listening to great music at ticketed/free gigs then stay longer to visit a beautiful environment. Clitheroe is a good town. Small shops; coffee houses; selection of restaurants, wine bars & hotels.

**Something for Everyone?** One significant aim for this enterprising festival is to be *"the most culturally diverse,*

*accessible jazz event in the UK"*. Our programme, and audiences, need to be representative of people living & working in the UK. We want to make this happen. Thanks to encouragement and financial support from the Arts Council England, and from local businesses/organisations, it will!

Our programme and audiences should deliver access to higher quality arts programmes; will be more equally representative of women, children & young people, people from minority communities, disabled people, people on low incomes, people from across the UK, and from international communities. Achieving diversity will become reality as long as our music programme is influenced by jazz's black music heritage and its roots in oppression. Thus, our broad based programme includes jazz, soul, funk, fusion, Rn'B, and cross-arts - poetry; classical. These options, and more, are worth noting: Claire Martin/Liane Carroll; Victor Brox; Norwegian Marius Neset; Ghanaian xylophonist Isaac Burituro, Zoe Gilby, Elms Bank School Choir. Keep reading, check out our mission.

### Tell us what you think. Have we missed anything out?

More programme information, a guide to eating places, and accommodation is on [www.rvjazzfestival.co.uk](http://www.rvjazzfestival.co.uk) - Enjoy!

# The Festival Weekend

"I am very proud to be involved in the Ribble Valley Jazz Festival's 10th year! We have worked very hard to create something for everyone, whether you are an old school jazz fan, or just want to experience something new.

I have always been a big believer in the arts and music being intrinsic to promoting wellness in communities which is why it is my pleasure to encourage you to look at the fabulous artists we are hosting this year, come along, put some money in our buckets and help us celebrate the past 10 years, and the years to come!

With thanks to the committee who have worked tirelessly since 2009 to bring so much joy to the communities of the Ribble Valley."

The choir's performance at Clitheroe's St Mary's Parish Church will be a stirring moment for choir lovers and jazz fans, performed by a Choir named 'Gospel Choir of the Year' in 2016 by the BBC. The choir presents a great sense of friendship and excitement, performances are moving and passionate. Their voices and astounding music arrangements on original and cover songs reflect a vision of hope.

MIV's prime purpose is to introduce faith in an encouraging way, to guide, develop and support diverse communities to live well together through music and singing. This event comprises two workshops and a public performance. A trombone heavy eight piece band the “Living Story Music Ensemble” featuring project leader Chris Bridges, presents a set of songs inspired by Bulgakov's depiction of the devil's May Ball in his novel “The Master and Margarita”.

Chris's music draws on the roots of jazz and blues. His songs will have you up and dancing, albeit with moments of chaos and darkness. At given points in the performance, in various songs, the trombone trio will be swelled by a huge trombone choir, comprising trombone beginners and experienced players. The sheer noise will make you join in the march of this macabre parade!

Trombonists invited to join 'The Midnight Parade' Trombone Choir.

Are you a trombonist, attracted by the spectacular trombone event in RV Jazz Festival 2019? Would you like to join/perform in the 3pm Trombone Spectacular performance of “The Midnight Parade”? Then sign up for one or both of our trombone workshops. We will be learning parts for the show, as well as practicing jazz improvisation alongside the amazing musicians of the Living Story Music Ensemble.

### The Workshops will be:

**1pm** - for beginner/inexperienced trombonists If you have never played a trombone and would like to join in with this performance, then come along to the first workshop at 1pm, when we will get you playing your first notes on a pBone (special plastic trombone!). You can then stay for the second workshop to practice your parts for the show, as well as having a go at improvising. Plastic pBone trombones provided if needed!

**2pm** - for experienced trombone trombonists. We will be working on ideas for jazz improvisation, as well as learning and practicing the parts for the 3pm show.
